

Lanarkshire Cancer Care Trust is a registered voluntary organisation managed by a board of trustees who's aims and objectives are to provide support for cancer sufferers and their families. Lanarkshire Cancer Care Trust offers patients living in the NHS Lanarkshire area free transport to :

- ✦ Hospitals for life-saving treatment such as chemotherapy and radiotherapy
- ✦ Specialist clinic appointments for follow-up consultations
- ✦ Complementary and alternative therapy centres promoting better health and wellbeing for cancer patients
- ✦ Day care facilities relating to treatment

All Lanarkshire Cancer Care Trust drivers give their time voluntarily and this valuable service relies on donations and fundraising to meet the cost of nominal mileage claims by drivers. By taking part in our monthly lottery you are helping to provide Lanarkshire Cancer Care Trust with vital funds to allow our drivers to transport patients
